

New Gear! EleVen by Venus Williams Looks To Slay Your Next Workout

July 11, 2016 | By Charell Star

13 Comments

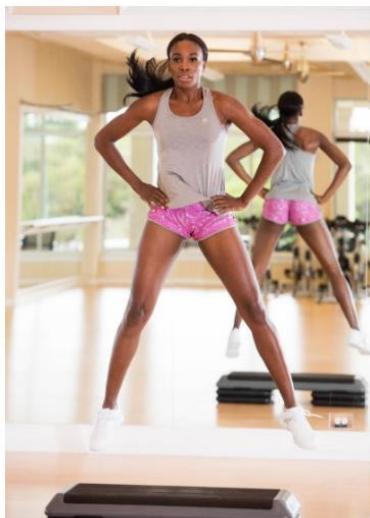

Looking good while working out has gotten easier as more fashion brands dive into the athleisure trend. These days making apparel that is cute and comfortable enough for spending the morning lifting weights or running errands around town.

For years now, Venus Williams has been one designer committed to ensuring women look and feel good as they get fit or hit the streets. The tennis champion and entrepreneur re-launched her fashion brand – [EleVen by Venus Williams](#) – with the goal motivating people to stylishly and confidently “move their bodies.” She shares:

“EleVen means being better than ten. Our brand is all about one thing: YOU! We believe in motivating you to aspire to your greatest potential. When you wear EleVen, you become part of something; a community where you not only look good, but you feel even better.”

So, to give you that extra shot of motivation, here are our top 10 EleVen by Venus Williams Looks to Slay Your Next Workout. Plus, we scored an exclusive discount code for all new MadameNoire customers. Use the code: **MADAME** to receive 10% off and free shipping on orders over \$100.
